Can I cancel the maintenance service anytime?

Maintenance Packages · https://computancy.co.uk/kb/can-i-cancel-the-maintenance-service-anytime/

While we’d hate to see you leave, we understand that circumstances change.

After the initial 3-month commitment, there are no lock-in contracts and your service rolls over at the end of each month. Just email us, and we’ll cancell the contract from the current moonth's end.

Just make sure you have organised a new web host if we are also hosting your website and email.
