Can I import contacts into Webmail?

Webmail · https://computancy.co.uk/kb/can-i-import-contacts-into-webmail/

Yes, you can import a contact list from a previous mail client into computancy webmail. To do so:

- Log in to Webmail for the mailbox.
- Head to the **Address Book**.
- Select the **Import** icon from the top-left.

You can then select either a .CSV file or a vCard file.
