Can I use my own web host with your maintenace package?

Maintenance Packages · https://computancy.co.uk/kb/can-i-use-my-own-web-host-with-your-maintenace-package/

Absolutely! Although our care plans include fast hosting, we can work with your current hosting. Some security hardening and hosting tweaks may not be implementable, but we will discuss this with you on a case-by-case basis.
