Can you set up all my SEO with this service?

Smörgåsbord Retainer · https://computancy.co.uk/kb/can-you-set-up-all-my-seo-with-this-service/

Depending on the scale of your SEO needs, yes.
The caveat is that good SEO is a system, not a project, and takes considerable time to do correctly, so an hour here and there won’t really make much difference to organic SEO. H owever, for one-off campaigns like project launches with PPC or landing page launches, this service is ideal. We’ll discuss all this with you during onboarding to design your base plan
