What do you class as updates to the content?

Maintenance Packages · https://computancy.co.uk/kb/what-do-you-class-as-updates-to-the-content/

We will edit or update pages, posts, custom post types, and plugin content, adding text and images supplied pre-formatted by you.
We strive to keep your site updated as required but will need to quote separately for design work, creating custom post types, or custom development.
